

Dear Parents,

Each student was sent home with a packet for the first week of e-learning. In addition to these activities, you will find other assignments below. Please work with your child to complete two activities each day. Work together and encourage your child to complete as much as they can each day. The packet should be finished by Friday, March 27th.

All completed work will be collected either virtually (if an online resource) or when we return to school. If you need assistance or have any questions, please contact me at rmartinez@vischicago.org
